Guideline

Application Procedure for Emissions Trading at EXAA

THE REGISTRATION IS FREE OF CHARGE!

IMPORTANT: Please note that you have to fill in German forms and contracts, the English versions have been attached for your convenience.

1.) Clearing & Settlement Agreement with EXAA

There are two different ways of financial settlement:

a.) **[Clearing & Settlement Agreement with Cash Settlement](#)**

in German: [Abwicklungsvereinbarung mittels Cash Settlement](#)

The cash money will be transferred from your bank account on the EXAA

Account: 31103727006, bank code: 10.000, IBAN: AT551000031103727006

With the available money you can buy certificates at EXAA.

b.) **[Clearing & Settlement Agreement with Direct Debit Settlement](#)**

in German: [Abwicklungsvereinbarung mittels Einzugsermächtigung](#)

You deposit a bank guarantee in favour of EXAA. The bank guarantee covers your buy amount of certificates. The amount of your purchases will be collected with a direct debit authorization from your account.

2.) Membership at Wiener Börse AG:

[Membership Agreement with Wiener Börse AG](#)

in German: [Mitgliedschaftsvereinbarung mit der Wiener Börse AG](#)

Fill in/sign on site 1, site 3 point I as well as point XIV and XV.

***Attention:** The Membership at Wiener Börse AG and the Clearing & Settlement Agreement have to be send in duplicate. The official company signature has to include the signatures of the persons authorized to sign on behalf of the company as mentioned in the official companies register and the company stamp!*

3.) Furthermore we need from the following documents:

- Your company extract from the commercial register
- [Specimen signatures](#)
- [Application as an exchange trader with Wiener Börse AG](#)
in German: [Antrag auf Zulassung als Händler bei der Wiener Börse](#)
- For every company that trades at EXAA at least one trader has to attend a traders training and an exam. For the opportunities to acquire a training and an exam please contact us at 0043 1 253 7272 90

All necessary documents can be found always up-to-date on:
